

TECHRADAR 2020

FACT

Maatschap Fact is een gewaardeerd collectief van zelfstandige professionals die met passie klanten helpen hun resultaten te bereiken. Tevens zet de maatschap zich in om samen met de klant de business processen en de daarbij ondersteunende IT systemen aan te passen. Dit doen we met respect, we versterken elkaar en delen onze expertise graag met klanten en andere Maatschappen.

82. Enterprise studio

Hold

83. Monkey mining

THE-FUTURE-GROUP.COM

Adopt

We feel strongly that the industry should be adopting these items. We use them when appropriate on our projects.

Trial

Worth pursuing. It's important to understand how to build up this capability. Enterprises can try this technology on a project that can handle the risk.

Assess

Worth exploring with the goal of understanding how it will affect your enterprise.

Hold

Proceed with caution.
